Duration: 2020 - 2021

Class X

Percentage: 65%

Cheran Matric Higher Secondary School

Duration: 2018 -2019

PROJECTS

Tourism Website

- In this project, our mission is to be the compass for travellers, leading them to explore the hidden gems and iconic landmarks. By offering insightful and captivating content, we aim to enhance traveller's journeys and deepen their appreciation of the world.

Food Delivery App

- Designed a user-friendly interface for a food delivery app, enabling smooth browsing, ordering, and tracking of food from local restaurants. Focused on intuitive navigation, visually appealing layouts, and streamlined order processes to enhance the user experience.

INTERNSHIPS

Web Development - Codsoft

4-Week Virtual

I learned HTML, CSS, and JavaScript through a virtual learning program that lasted one month. During this time, I worked on projects like a personal portfolio and a to-do list application.

Web Development - Edu Phoenix Solutions

4-Week Virtual

I learned HTML, CSS, and JavaScript and developed a Movie Showcase Website during a one-month virtual program.
